The National Equine Expo – Bendigo: “Showcasing The Australian Equine Industry”

The Bendigo Equine Industry Cluster (BEIC) was formed in 2006 with the aim of fostering a vibrant, coherent and highly visible Equine Industry in the Greater Bendigo region.

An alliance was formed with the Bendigo Agricultural Show Society (BASS) and a Joint Working Committee was established, and so, **The National Equine Expo – Bendigo** was created!

So with your support we will establish this event into the calendar of major events for Bendigo - to be held biennially. Your involvement and enthusiasm in participating in this Expo will help make it happen!

So please enjoy shopping at our very first National Equine Expo - Bendigo, and our exciting program themed to “Showcasing the Australian Equine Industry”.
